Shaykh Mohammad Nazim Al-Haqqani An-Naqshibendi, Sohbat of the 20th of Dicember 2011.

Ya Rabbi, grant us wisdom & keep us safe from the evil of our egos. O people, Salamu Alaykum. Allahu Akbar, Allahu Akbar, La Ilaha Illa Allah. Allahu Akbar Allahu Akbar, Wa Lillahi Al Hamd. Then Salat and Salam upon the Master of beginning and end, and his companions and all Prophets. Ya Rabbi increase their honor& happiness. We are your poor, weak servants. Support us, O our Lord, the support of Al Habib - the Master of begining and end. You made him the reason for the existance of all worlds. O Lord increase his honor, his light and happiness. Audhu Billahi min al shaytani r-Rajim. Bismillahi r-Rahmani r-Rahim - A sharp sword on the heads of the enemies of Islam.

Assalamu Alaykum. Salamu Alaykum O believers, O Muslims. Our way is association with the Shaykh & Goodness is in gatherings. O People, O People, O servants of Allah, Think! Think about your situations. For what we are coming to this life? We were given life from The Lord of the worlds (swt). And Allah (swt) took a covenant from us. He is our Creator and Provider. Our Lord (jwa), He (swt) sent the owner of the absolute message, the Master of beginning and end. Sayyidina Muhammad (saws) was sent as an absolute Prophet from the beginning of creation. And he was honoured by his Lord (jwa) to be the representative, the absolute representative, the first Representative, Master of beginning and end, Representative of Haqq (swt). The first of creation and the first of Prophets (as), and his message is absolute and the last one! First of Prophets and the last one! No Prophet after him! He made everything clear! Everything that people can understand - he clarified! An ocean that He (swt) gave to human beings. Maybe you can say that it is a drop from the ocean. And subhana Allah, he is the first of Allah's creation and the last of Allah's Prophets (jwa). We clarified everything, Haqq says.

The Prophet (saws) & Master of begining and end, didn't leave anything that people don't understand, or cannot follow, or accept with reasoning or can be encompassed by their minds! He is an ocean, our Prophet (saws). A drop of an ocean can fill all the worlds! From the knowledge that people need in their lives! He was sent, (Master of beginning and end) to teach people! Subhana Allah. O Arabs, O Believers, O Muslims, our Prophet (asws), his Lord (jwa) taught him what he didn't know! He taught him everything that will happen in the lives of all servants. Subhan Allah. Our Prophet (asws) has oceans from all knowledges! Allah Allah. He didn't leave out anything that the children of Adam need to know! He clarified everything needed to be known and thought about. The thing that is first and most necessary to know O Arabs, is that we need to give in to the truth of what the Master of beginning and end said! That absoluteness is for us, not for The Lord (swt). Our Lord teaches and talks about Islam. Islam came with the absolute Truth - Haqq. The owner of the absolute message clarified Haqq! O

Arabs, the Prophet, Master of beginning and end, our Prophet (asws) clarified Haqq! From the absolute words of the message that you must believe in for your lives in dunya and for Judgement Day - because who accepts Haqq will be known here (in this world) as the friend of Haqq, accepted by Allah (swt) and by His Prophet (asws).

O Arabs pay attention! The Prophet (saws) said "Truth stands high & nothing stands higher". Clear? There is no way that Haqq is under and Batil on top! Ask Arabs, didn't the Prophet of the end of times clarify what is Haqq and what is Batil? If he didn't clarify then he didn't complete his message! "Haqq, Truth stands high & nothing stands higher."

In our time, groups appeared from the nation, from the nation, people came out saying we are on the path of Haqq. They are a small group, not a big one, but they say we are on the path of Haqq and all the rest are walking on the path of Batil or wrong! They are on the path of Haqq and all the others, the majority, are on the path of Batil! Only a small group say we are on the path of Haqq! And those people who left the greater majority (ahl as-Sunnah) and appeared and claimed to be on Truth, and that the greater majority (ahl asSunnah) are on falsehood. The wahabis & from among them the salafis, and the Ikhwan (Islamic brotherhood). They claim that the greater majority are on the wrong way and that, "we want to correct their steps". Masha'Allah! Masha'Allah! Who gave you that duty or... who gave you the right to say & claim that the greater majority are on wrong way and you, who have no mind, are on Truth/Haqq? They have no claim, they turned out to be far from Islam. Because the Prophet (saws) left nothing unclear, and he (saws) said, "what is permissible is clear & what is forbidden is clear". Let these people bring a proof against these words, the words of the Prophet (saws). These words point that they are on goodness and anything different from them, are on wrongness. They are on Haqq and the rest are on falsehood.

And the Prophet (saws) said "Truth stands high & nothing stands higher". He (saws) said that "Haqq is high & nothing stands higher". In any time, from the beginning of dunya till the end of it, or from pre-Eternity to post-Eternity Haqq stands high & nothing stands higher. They accuse the greater majority of Muslims of being on false ways. How can that be? How can they claim this, the salafis? Who are these salafis? 10 people? They want to take over the greater majority of the Muslims. They accuse them of not being Muslims, that they are not on True ways. Who gave them this duty?

Bad tidings to the people of Egypt! Bad tidings to the scholars of Egypt! Because they are not responding to this group of salafis. Who are these salafis? Salafis, Ikhwan, wahabis. They do not exist in the Islamic books. Nor are they mentioned in the Holy Quran. Why the scholars, who are from the greater majority of Muslims, not stand against them? These no mind ones, want to take over billions of people from the jamaat of Muslims. You are not Muslims because you went astray. Who gave them this duty? Why don't the scholars ask them this? Why don't they send

them away? Send them away to their homes. They have no value. They have no Truth/Haqq with them. Haqq/Truth is with the greater majority. And we say that "Truth stands high." These are words of the Prophet (saws). "and nothing stands higher." The greater majority, nothing stands higher than them.

These other groups have no mind. They went against their Lord, and what will be bestowed on them from Heavens - a whip from Heavens will come on them as a teaching, so not one person will remain saying "I am salafi or, i am from the Ikhwan (Muslim brotherhood), or i am wahabi". Never! The words of the Prophet (saws) "Truth stands high." It is impossible for these other groups with no mind to rise above the greater majority (of Muslims). They must follow us, because we are the greater majority. Shi'a, the Ikhwan, salafis wahabis, all of them they have no mind. We are not from them and they are not from us.

And our hearts are in peace because we are on the way of Haqq. Because it would be impossible that the Ummah be united in falsehood. And the greater majority cannot be accused of being on false ways and to have left Islam. I am sorry for the scholars. All the corruption from them comes out and to them it shall return. May Allah forgive us. Tawba Ya Rabbi. O people repent to Allah (swt). You have left the good way, the good way of the greater majority, who are on the footsteps/sunnah of the Prophet (saws). Do not defend falsehood. Allah (swt) says "Truth has come & falsehood has vanished" (17:81) The Truth is firm. Falsehood is bound to vanish. And if the people of Egypt with the rest of the Muslim nations, who are insisting on their falsehood, Allah (swt) will take them away from their roots. The remaining ones will be the believers, the Muslims, the faithful, the ones that Haqq is with them. Maybe they will say, and be... and be Rabbani.

You may say Rabbani, but don't say salafi, don't say wahabi, don't say shi'a. Allah (swt) says, you are, you should say, we are Rabbaniyun, but be Rabbani. Allah (swt) named who keeps the Islamic religion, with its rights & limits - these are Rabbani. Allah (swt) invites you to be Rabbani, not salafi or wahabi, Ikhwan, shi'as, no! But be Rabbani. We are Rabbani, Al Hamdulillah! We are not on a way of salafis or Ikhwan, wahabis, shi'as, no! But we put all our effort to be Rabbani. This means that our scholars know. Rabbani is who is on Haqq! And any other than this are on falsehood.

"Appoint for us a king so we may fight in Allah's way" (2:246) And we may send away all the sects of tyrants, tyrants! And this must happen, with Allah's (swt) permission. We ask for Allah's blessings, His forgiveness and His support for strengthening the believers and the Muslim people. Rabbanis... Tawba Ya Rabbi, tawba, tawba... Remember O Muslims, our words that are from the Great Quran and from the words of the great Prophet (saws). Tawba Ya Rabbi, tawba Ya Rabbi, tawba astaghfirullah. Repent to Allah (swt) to your Lord, O people! Otherwise like

nations have perished before our nation...from nations of other Prophets (as). Allah (swt) will take these ones and will leave only Rabbanis on the face of the earth.

O Lord! We beg You to let us be among the Rabbanis and not from the wahabis, nor shi'as, nor Muslim Brotherhood or salafis. O our Lord, make us be among... among those who put all their effort to be for their Lord. Rabbaniyin...Rabbani. Tawba Ya Rabbi, tawba Ya Rabbi, tawba astaghfirullah. Fatiha. Allah (swt) inspired us with these words for the sake of His Beloved (saws), from him and from the Rabbanis who are present in our times now. Fatiha.
