Insha Allah Good End. Allah knows best. Allahumma thabbit'hum 'ala Al Haqq, Allahumma thabbit'hum 'ala Al Haqq, Allahumma thabbit'hum 'ala Al Haqq, Bi Jahi Man Anzalta aleyhi Suratul Fatiha. You are living in Germany? G. Yes. M. All of you? G. Kassel & Frankfurt. M. Frankfurt.. G. And, Kassel. M. Kassel! Kassel is old city, old city.. I like it. I like it. And I like, if you are not going to your country you may be in Kassel. Kassel much more under protection.

You met Shaykh Muhammad in Istanbul? You know Shaykh Hassan, Dyck. G. Yes, Sh Hassan. M. Dyck, meaning rooster. S. Hassan Dyck. His wife Karima. Haji Karima, yes. Perhaps 30 years ago they were coming to Makkah & Madina and also in Damascus. Yes, I like them. They are good people. Good people and keeping Islam. Good keeping Tariqat also, with power. There is a Jamaluddin, you know him? Jamaluddin? Good one also, powerful one. It is, masha Allah..Masha Allah. G. We are very thankful to you, that we can everyday see at Saltanat.

M. I like Afghan people. I like them. But only no mind people. They should be from Mahdi (as)'s army. Powerful and also brave ones. Keeping Sunna-tradition of Prophet (sas). "Salamun Qawlaan Min Rabbin Rahimin" (36:58) "Salamun Qawlaan Min Rabbin Rahimin" Huuu. Allah brings to you Sultan. Till Sultan coming no stability, peace. Biggest wrong thing that they did - taking away Shah - Rahmatullahui Alayh. Shah Muhammad. And coming communists and whole troubles after those shaytan people. Ya Rijal Allah, Fatiha. Insha Allah, you should be followers of Mahdi (as). And your men going to be first class horsemen in front of Mahdi, coming with black flags. Insha Allah, insha Allah.. Pray for me, I am weak one. I am weak one..

Salamu Alaikum wa Rahmatullahu wa Barakatuhu. Alfu salat alfu salam ala Sayyidina Muhammad (sas) wa ala Alihi wa Sahbihi Ashadu an la ilaha illa Allah was Ashadu anna Sayyidina Muhammad Abduhu wa Habibuhu wa Rasuluhu. Allahumma thabbit'hum 'ala Al Iman. Fatiha.. Sh Ahmad? G. My name is Ahmadullah. M. Ahmadullah? Put your hands in here. Put over your shoulders. Bismillah r-Rahman r-Rahim. Fatiha. You are Sayyid. He is

Sayyid. On the line of Prophet (sas). Subhan Allah. Sultan Allah. Subhan Allah. Sultan Allah. La ilaha illa Allah.. Fatiha.

Say, Sh Ahmad! Say to people to marry. Tariqat never accepting mureed single. Must marry! Are you married? Are you married? You must marry. First, first order. Must marry. When Mahdi (as) coming he is ordering first; "everyone must marry". Happy days to you! To be people of Jannatul Firdaus. Keep Holy Flag of the Seal of Prophets, peace be upon him. You are nation.. they were first class in Islam. Perhaps I am now... 60 years ago I am going to Hijaz. I am looking people with turbans. With their beard.. I am asking, first time looking. They are saying, those are Afghani Muslims. Keeping Sunnah-Tradition of the Prophet (sas). And also, what about they are doing? They are doing very good Afghani pilaw (rice). They are inviting me. Masha Allah, Masha Allah...

They have Afghani people first class Muslims. Only they are doing something that Shariat not accepting. Muslims, they have Emir Al Mu'minin (the Prince of believers) if no Prince of believers, coming shaytan. The Prince of believers, so many so many years perhaps 1000 and more years they have the Prince of believers. Then coming shaytan making The Prince of believers thrown away & coming all troubles now, after that. Now no Price of believers in Afghan. That is, for everything there is a reason. All your nations loyal loyalty. Loyal, loyal & royal also. Harzam people Harzam, you know Harzam? Harzam King Sayyidi Ibrahim... What is your country Kharzan, what you are saying Kharzan? Kharzam Sha This shiraz shiraz, hafiz, shirazde, shirazi. Very famous people.

Now Mahdi (as) soon will be coming. Coming from your country 70 70.000 horsemen with black turbans, Green turbans, white turbans on horses, reaching to Mahdi (as). 70.000 I am giving you good tidings it is what I am giving to you. Ask Mahdi (as). Use not cars, horses. horsemen..horsemen. coming from East, those reaching to Mahdi (as) in Damascus. Try to be from them. Don't accept anyone else. You must bring your Sultan. If Sultan not coming, whom are not accepting, no life for them. Allahu Akbar! Allahu Akbar! Allahu Akbar! Wa Lillahi Al Hamd.

Pray for me, I am old. I am 70 years waiting Mahdi (as) to come. You pray for me, also I am praying to you to be from his armies. To reach to see him, to kiss his hand. I am asking from Allah Almighty, you say also. Amin.

Tonight first night of Safarul-Khair and we have been ordered that is heavy month. Three times (say) Shahada. 300 times Astaghfirullah keep it this and say it to people to be taken away (from them) heaviness of Safarul-Khair. And one sadaka for everyone. Even one pence it is ok. You may give. And you try to keep sunnah dressings. My daughters, my daughters... they must put on their heads white and on top of the white... put on their heads you may use this but put on it when you are getting out, don't get out without any reason. Men, must use green or black, or white turbans.

My daughters, your sisters they must use green color. If anything coming looking green head, running away. Masha'Allah, masha'Allah... You understand? You may put red one white one,

but on it you must put green. Angels keeping you. That is for whole Muslim ladies. And Shariat not accepting ladies to work outside. Never accepting to be with men. If they are not obeying coming punishment on them. May Allah forgives us. Try to make them to learn Holy Quran. Keep swords through your homes, because when Mahdi (as) saying Allahu Akbar! Guns finish! Keep jamaat. Don't say "I am working". You are working for dunya. Adhan calling you to work for Allah. Before time, blacksmith... blacksmith... making like this like that. If saying Allahu Akbar and his hammer making like this, not making like that. Till saying Allahu Akbar! Islam is the highest. Everything else is lower. Keep Islam, Allah keeps you.

Don't fear from Russia, from China from Christian world, no don't worry. We have power. Assalam Aleikum, Allahumma Thabbit'hum 'ala Al Haqq Allahumma Thabbit'hum 'ala Al Haqq Allahumma Thabbit'na 'ala Al Haqq Bi Jahi man Anzalta aleyhi Surat Al Fatiha.
