

A Message & Bai'at To The King

Shaykh Mohammad Nazim Al-Haqqani An-Naqshibendi, Sohbat of the 27th of April 2012.

We are in the time the Prophet of Ins/humans and Jinn told about, Sayyidina Muhammad (saws). "There will be after me Caliphs" the Prophet (saws) said. He was then asked about the future, and he (saws) said: "There will be after me Caliphs, then after the Caliphs come Princes, and after the Princes, Kings, and after Kings, tyrants. Then a man from my household, will appear & will fill the earth with justice as it was filled with injustice & corruption!" He (saws) said & you can see it. We reached the time when tyrants are almost defeated and ... defeated and erased from existence. And we... we are nearing the time during which Kings will come after tyrants! Kings after tyrants - Allah (swt) will send support for Islam. "Then a man from my family will come out."

O Great King, Honored & Blessed King, the king of Jordan, from the family of the Prophet (saws) who is the representative and carrier of Who is carrying Arabs, and also carrier of all Muslims. And the nation now is without an Imam and a Caliph that represents the Prophet (saws). And now, there is no one in the East and West of the world who can carry the load of the family of the Prophet (saws). He will be with Mahdi (as). The time from the Prophet (saws) till now... The honour of the descendants of the Prophet (saws) is within the power of his Royal Highness the King of Jordan, Jordan. His Royal Highness King Abdullah. I am a poor servant. This addressing is for His Highness.

From before he was born. Before around 70 years, I was in Sham with Sayyidina Shaykh Abdullah, who was the Shaykh of King... of His Royal Highness King Abdullah. Abdullah, who was Imam, Prince of Jordan. And also, King. And he sent the grand Mufti from Jordan to visit Shaykh Abdullah Daghestani, who.. who took baya'. His Royal Highness King Abdullah had taken allegiance/baya' in the distinguished tariqat, from Sayyidina Shaykh Abdullah Al Daghestani. And so he sent, he sent... the Grand Mufti, to give "Salams to my Shaykh and to ask him for news - what should he do." I was there, at that time. "So, what were his orders for us, to do? What does my Shaykh have to say, Shaykh Abdullah Daghestani? Let him tell me." This is to know what happened that time, and nobody witnessed it except this poor servant. "Go & give salams to my Shaykh and ask him what should I do?" He was ready to reclaim the land of Hijaz for the one who was the real inheritor of it, at that time. Sayyidina Shaykh ordered me - "O Sheikh Nazim, get a pen and paper and write what I say to His Royal Highness, Prince Abdullah, King of Jordan. This letter is only for His Royal Highness." I wrote the letter - a very long message. And he was Imam, King, Prince & King of Jordan, your grandfather, who was preparing himself to restore the land of Hijaz to his country. Mawlana Shaykh wrote & said "it is

not the time now." And your grandfather believed this. The King and Imam, your grandfather King Abdullah, he said: I believe the Shaykh. I was getting ready to attack and reclaim the land of Hijaz, as we are its rightful owners unlike these people who are coming from the desert. No! And the Prince, your grandfather, may Allah (swt) have mercy on his soul, said "My Shaykh forbade me. My Shaykh forbade me. And I believed him."

And he said that he saw me while asleep, that I was in the Rawda/garden of my great Grandfather (saws) and a beast attacked me, and almost destroyed me but I killed it because of my Shaykh." This vision he said, Sayyidina Shaykh (Abdullah) said "it is not the time. It is not the time. There will be a King from the descendents of the Prophet (saws), from the descendents of the Prophet (saws), also called Abdullah. He will be, with power! At that time, the descendents of the Prophet (saws) will be cut out, but he will be the carrier of this order. It is his duty. You, your Royal Highness, I advise you to not go out for Jamaat or for Jumaa prayer."

I wrote this! And we sent this letter to him. Subhana Allah! Allah (swt) knows all things Jalla Jalalahu. Allah's (swt) order was destined to happen. One day the King, your grandfather Prince Abdullah, was present in al Aqsa Mosque, Al Quds. And it happened to be coinciding for Juma', when the nobles of the country told him "O our Prince it is a great chance that you are here, we can pray Juma' in Bayt Al Maqdis (Aqsa M.)" In Bayt Al Maqdis. Subhana Allah! And it was Allah's (swt) destined Order. He forgot & followed the country's noblemen, and while walking in he was martyred. It was done there. Finished. How many years has it been? Maybe 65 years! 50-60 years. With what happened Abdullah was gone. Mawlana Shaykh use to say "Abdullah will open all of the Holy Quds Sharif."

Subhana Allah, how many years have passed since & now right under my eyes, a King! His Royal Highness King Abdullah. Now he came, he is one of Allah's (swt) lions! He has pointed out that he is a desert lion! Subhana Allah! And he is now on the throne of Jordan and he is pressured from all directions. I was writing on behalf of the people of Truth. Mawlana Shaykh used to say to his Majesty Prince Hussain, may Allah (swt) bless him, that it will be given to King Abdullah 10 countries...countries which will be under his rule. Now we have reached the time where the Muslim people are remaining in the hands of the tyrants - these cursed ones! Forget. They have forgotten! And the tyrants came & tried a thousand tricks for the people to forget the Caliphate & the Kingdom of Islam. They forgot & now they have all fallen. The whole Islamic world does not have a place or a way out because they have become completely lost, Subhana Allah!

This servant is a servant to His Majesty the King - if he accepts, my age is almost, Allah (swt) knows. I received a message that these tyrant people in the land of Sham. I received the message, what His Majesty the King should do. Sham is open, there is no one there. Why he is not

organizing himself? Who is he fearing? This addressing is for His Majesty. He was hesitant, but support is coming, support is coming for His Majesty to make a move and declare that he is the Khalifa and that he is the last King who will raise the flag of Islam. I received this message so my message to the King is that he should not hesitate. Because he is representing Ahl Al Bait and is the real inheritor of the descendents of the Prophet (saws). Go and do not fear! Declare that, "I am the inheritor of the Prophet (saws) of the end of times & I am the one who will gather the Muslims & will throw away the tyrants from the whole area, in 10 countries". Subhana Allah Al 'Aliy Al Azim, these news Allahu Akbar Al Akbar!

He declares! He must declare that he is the inheritor to be the Khaliph from Rasulullah (saws). "I am the one who will raise the Banner of the Prophet (saws)" And so he should have three regiments, his Majesty. The Regiment of Sayidina Muhammad (saws) The regiments of Mahdi (as) and his Majesty's regiments. Three, he should raise the banner & march.

I am the first one to give him allegiance! From here I have given him allegiance. And I declare this order to the whole Muslim world that he is the inheritor and that he has to raise the banner of Islam & that he will be victorious & will gather the whole 10 countries under his ruling. Then Mahdi (as) will come from his side from Qadam, in Sham. And he is the King of Sham, His Majesty King Abdullah. 3 Regiments will stand and march. And he should declare, "I am the real inheritor of my Great Grandfather, the Master of beginning & end (saws). I represent him. I want the allegiance from all people, from all the Muslims." And I am the first to stand & give him allegiance, because he is the King of this time, King Abdullah.

May he accept my allegiance, to be the first to give him allegiance, a poor servant. And I order all the Muslim Kings to give allegiance, to his Majesty, King Abdullah and to support him. This poor servant is the first to give him allegiance, may he accept it. May he accept my allegiance... I am seeing him in the company of Imam Mahdi (as) with 3 regiments. The Regiment of the Prophet (saws), the Regiment of Mahdi (as) & his Regiment. Three Regiments & he should march. I am a weak servant. Who listens to me they should give him allegiance for Allah's (swt) sake. Because who does not give allegiance, is not Muslim. I gave my allegiance to His Majesty for Allah's (swt) sake. And who is present from the Awliya' also have given him allegiance. So he should march. And I order everyone who is listening to this weak servant, to offer him their oath. From all over the world, everybody has to give their allegiance, because he is honoured in dunya & in Akhirat. He is the Deputy/Khalifa of Islam, and I declare that he is the one. The right is only for him.

Let them give their allegiance to him, or they will be destroyed. This is the addressing that you came to hear. I was waiting for you. Let him prepare the regiments and declare that he is the Khalifa of Rasulullah (saws) now present & representing Ahl Al Bayt & representing Mahdi (as)

until he comes. Let him march! Let him march with the permission of Allah (swt), Order of Allah (swt) & with the Power from Allah (swt).

O your Majesty I ask forgiveness, O your Majesty King Abdullah of Jordan. You are the most suitable for the Islamic Khilafa/Deputy that the tyrants kicked out from his center and it will return in his hand. Now His Majesty is the Khalifa of Rasulullah (saws) who is representing Ahl Al Bait until the appearance of Mahdi (as). 3 Regiments will accompany of him in his march.

Al Hamdulillah I have declared & I am a weak servant & first one to give allegiance to his Majesty, because he is the Khalifa/Deputy of Rasulullah (saws) and supporter of Al Mahdi (as) & will be with Mahdi (as) entering Sham, Baghdad, Egypt, Libya, Yemen, all the Arabian Peninsula, Turkey & Kurds, all of them. You came today for this matter and it came to me this addressing, an order to address His Majesty, not to fear and to march with no fear! Because His Majesty is supported. May Allah (swt) raise his banner, and all the Arab tribes - they should give him support & their allegiance.

Those who support him will be from the people of Paradise. O your Majesty may you accept the first allegiance, my allegiance. And who listens to this weak servant, give him allegiance. Give him allegiance & insha'Allah Islam shall stand up supported with Heavenly Power. Allah (swt) sent you, your Highness Prince Abbas. Be with him, all the tribes. Who will go against him will be destroyed, destroyed & perish, destroyed. And those who will give allegiance to him will be honoured in dunya & Akhirat. Tawba Ya Rabbi. I offer him the first allegiance, my allegiance to the owner of the Message, to the Imam of the Muslims & his Khalifa/Deputy.

He is the only one. There is nobody else. This is what I was ordered & I have declared it. O your Majesty accept, accept, accept... write my name first or last, that I have given you my allegiance. Insha'Allah on Judgment Day it will be written, the honour of having given allegiance to your Majesty as support to Islam. And the armies of the Heavens support him, he should not fear. Fatiha.

I kiss his honourable hands & feet, His Majesty the King. Fatiha.

Bismillahi r-Rahmani r-Rahim... This is for you. His Highness Prince Abbas, you became the means. He has power, masha'Allah! Masha'Allah... Congratulations to Ahl Al Bait in Jordan. Haqq/Truth is raised & nothing can rise above it. He is on Haqq & we are with Haqq. Who goes against Haqq is defeated. Allah (swt) defeats them. "*Sayuhzamu Al-Jam`u Wa Yuwalluna Ad-Dubura*"(54:45) The Holy Verse says. Who is opposing, there is only defeat for them here & in the Hereafter. Welcome to you Sayyidi. Take Baya'... Kiss his hands & his feet, he is Sultan. May he look to me.. May he look to me.. The treasures of the world are under his feet. Fatiha.
